### EOS imaging Announces New Sale into Carolinas HealthCare System

*First EOS® system in the Carolinas HealthCare System, one of the leading healthcare organizations in the Southeastern U.S.*

**Paris, September 13, 2016** - EOS imaging (Euronext, FR0011191766 – EOSI), the pioneer in 2D/3D orthopedic medical imaging, today announced the sale of an EOS system to the Carolinas HealthCare System. The system will be located at a dedicated imaging center in Carolina HealthCare's Morehead Medical Plaza campus in Charlotte, NC. It will be available for pediatric and adult patients in the Carolinas HealthCare System, including those served at the Levine Children's Hospital, which is also located in the Morehead Medical Plaza. The Levine Children's Hospital was named a Best Children's Hospital by U.S. News & World Report in orthopedics<sup>1</sup>.

Carolinas HealthCare System is one of the leading healthcare organizations in the Southeast and one of the most comprehensive systems in the country. The organization includes more than 900 care locations and 7,500 beds throughout North and South Carolina.

Marie Meynadier, CEO of EOS imaging, said, *"We are pleased that the unique benefits of the EOS system and services will soon be available to patients in the North and South Carolina area. Adoption by such a prestigious group further validates our technology. In addition, this sale marks the entry into another large hospital network in the U.S., which further expands patient access to the EOS technology and provides incremental growth potential within the hospital network."*
