Early payment of Research Tax Credit in H1

of which €2.2m increased customer deposit on orders, thanks to the new commercial cycle and the implementation of improved payment terms

# H1 2020 Cash Flow Statement

H1 2020 Financial Results

› The increase in cash is the result of :

- The gradual and structural reduction in operating working capital thanks to the change of commercial cycle (+€4.1m)
- Delayed Social Charges and Accelerated Tax Credit from French measures (+€2.8m)
- Covid Financing from US and Canada Loans (+€0,4m) (excluding forgiven portion relative to H1 2020, booked in Other Income for €0,3m )

Cash Position at end of the period	8.69	9.89

— The company increased its cash position by €1.7m over H120.  
As of end-June 2020, EOS cash position totaled €9.9m

— EOS currently has cash visibility over 2021 and can consider additional financing options such as French PGE

- › **Equipment orders** were slowed by the restricted access of sales representatives to hospitals during the lock-down and by the postponement of investment decisions by EOS' customers in a context of uncertainty
  - Access to customers as recovered in many geographies, and budgets are reopening
  - Congress have resumed as virtual events
  - Remote technologies allows to continue engaging customers and growing the sales pipeline
- › **No impact on Maintenance revenue** as revenue come from annual contracts => **No impact expected on Maintenance**
- › **Consumables and Advanced Orthopedic Services:** temporary delays of elective surgeries
  - Elective surgeries have resumed
- › **Continued monitoring of the situation** to ensure the safety of employees and customers while continuing to meet the needs of hospitals and caregivers
- › **Support from Government programs**
  - Extension of the US forgivable loan (PPP) program to 24-weeks (i.e. April to Nov)
  - French guarantied loan (PGE) program can be requested until 31/12/2020
- › **Cost management measures. Good Cash visibility for the year 2021.**
  - Continued hiring freeze, and further reductions in external contractors
  - Virtual events allow to significantly reduce travel and event costs
  - Continued benefits of the reduction of working capital program
